Item	Monthly Costs (ECD)
Electricity	27.000
Water	1.025
Labour	504.000
Rent	29.000
Internet	8.500
Infrastructure (IT) and Long Distance	230.000
Total	799.525

Exchange rate \$2.70 XCD = \$1 USD

Rent (Annual): \$348,000 ECD

Assets Description

Proven ability to attract native English-speaking staff of 200

Opportunity for government tax and administrative support

Location

Located on the southern side of the island. Almost center based on map views. Proximity to airport: Eight (8) miles from the Vance Amory International Airport.

Incentives Available

-  Exemption from Customs Duty, VAT on all equipment, furniture, or other items to be imported during the first two years of operations. The 6% Customs Service Charge will only be payable on these items.

The property is fully functional and ready to operate immediately. However, the Nevis Island Administration is willing to waive the monthly rental payment of the first six (6) months of operations. All other operating costs to be paid by operator.

Exemption from Corporate Income Tax for a period of five years from the start of operations.

Government will use its best efforts to expedite the issuing of Alien Land Holding License for any overseas shareholders and directors of the company which would be incorporated on Nevis.

Government will use its best efforts to grant where necessary work permits to any skilled persons necessary for the effective functioning of the center provided that such skilled persons are not available locally.
