

NEVIS FAMILY FIT & FUN CENTER

 13 August 2026

 Opportunity Description

Nevis Family FIT & FUN Center is a proposed indoor entertainment, recreation, fitness, and events destination designed for families, children, schools, corporate groups, and visitors.

Our vision is to create a place where people can play, compete, train, celebrate, and connect—all under one roof. With its diverse mix of entertainment, sports, fitness, and adventure experiences, the Center has the potential to become a signature destination in Nevis.

The goal is to build more than a facility, it is to build a destination people want to visit; a brand with the potential to grow.

Land size:	2 Acres
Property Type:	Indoor Entertainment & Recreation Center
Assets Amount:	TBD
Property Status:	Proposed / Development Opportunity

Location

Bath Plains, Nevis

Market

This welcoming and vibrant Family Centre will provide a safe and comfortable space for families to enjoy all year around. Designed for both residents and visitors, it will offer a variety of family-focused activities and services in one convenient destination.

Features

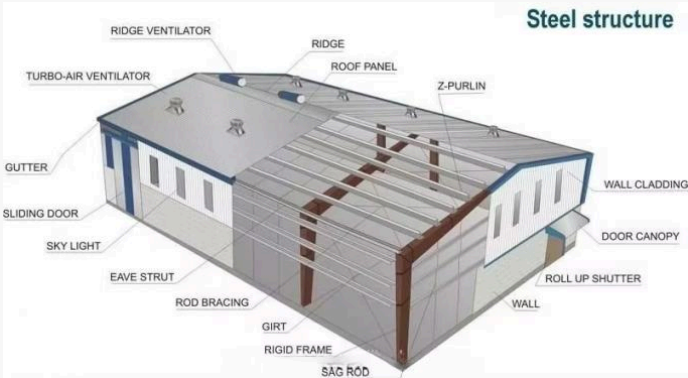

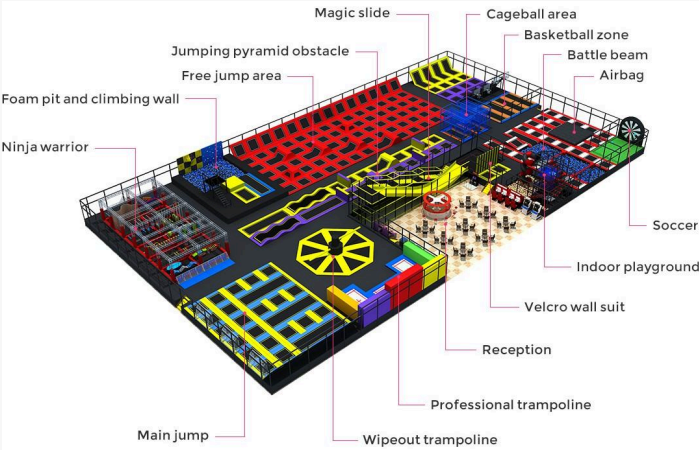

The Center is planned to feature:

- Trampoline Arena with 50+ interconnected trampolines
- Paintball Arena
- Bumper Car Arena
- Regulation Basketball Court for leagues, tournaments, and training
- Kids Zone
- Large Foam Pit
- Dodge ball Court
- 30-foot Climbing Wall
- Fitness & Training Zone featuring obstacle courses; rope course, climbing, and athletic-training elements.
- Event and party spaces
- Parking spaces

The facility is intended to operate year-round in a comfortable, weather-independent environment.

The goal is to serve both the local community and visitors to Nevis, providing an additional destination for active recreation and entertainment. It has the potential to create potential partnerships with:

- Hotels and accommodations
- Tour operators
- Schools
- Sports organizations
- Corporate groups
- Event planners
- Tourism businesses
- Local and regional brands

The project is seeking the right investor and strategic partner to help move the concept from vision to execution. We are not simply looking for capital.

The ideal partner may bring a combination of:

- Investment capital
- Business and operational expertise
- Strategic relationships
- Marketing and commercial experience
- Growth and development knowledge
- Long-term vision

The partnership structure, investment amount, equity participation, and responsibilities would be determined through detailed financial and strategic discussions.
